## STATE ROUTE 58 HINKLEY EXPRESSWAY FLAGGING OPERATIONS

**SAN BERNARDINO** – The California Department of Transportation (Caltrans) continues construction on the State Route 58 (SR-58) Hinkley Expressway Project this week. The \$201 million project, which was awarded to Skanska USA Civil, will widen and realign SR-58 from a two-lane conventional highway to a four-lane expressway. It will also construct two interchanges on the widened and realigned portion of SR-58—one at Hinkley Road and the other at Lenwood Road.

In order to continue work for the realignment project, **flagging operations will be in effect at the intersection of Hinkley Road and SR-58 in order to allow for trucks hauling dirt in to the construction area. The flagging operation will begin on Monday, November 2, from 6:00 a.m. to 6:00 p.m., and will occur from Monday through Saturday each week. Flagging at Hinkley Road and SR-58 is expected to last for 5 months, with exceptions for inclement weather and holiday work moratoriums.**

Caltrans and Skanska appreciates the community's patience and understanding during the construction project. Please be aware of the work and [\*\*SLOW FOR THE CONE ZONE!\*\*](#)
